

BRENDA HENDRICKSON

Testimonials

It's the best book on building financial wealth I have ever read.

Ilya Gutman, Liquidnet Inc., new York City

I would highly recommend Brenda Hendrickson to anybody or any corporation. Her firm's work is always done on time and done well. As for integrity, I can honestly say I have never met anyone with such high standards. Last but not least, they are very flexible and accomodating with their schedules and their employees themselves are very friendly.

Dave DeBevois, Casterbridge Productions

Brenda Hendrickson's accessibility, encouragement, and business acumen have been invaluable to us while establishing our new business. Although her firm is growing, the service remains courteous, efficient, and prompt.

Lynne Davies, A Working Solution

Brenda Hendrickson and her firm have been providing us with quality service for almost two years now and we couldn't be any happier. We recommend their services to any business especially ones just getting started. They have provided us with advice, guidance, and excellent accounting and tax services at an affordable price.

Steve MacKinnon, Modesa Music & Entertainment

I used Brenda Hendrickson and her firm to train my staff on QuickBooks Pro2000. Bookkeeping and accounts receivable have been much easier to track. They all were very responsive to my technically challenged staff.

Rosanna Imbriano, RI Consulting

Brenda,

I want you to know that both my husband, Ilya, and I read your book. Ilya is in the financial industry and said, "This is the first time I read a book that so mirrors my philosophy on money."

I agree with his comments. It is the best book on building financial wealth I have ever read.

I am including a link to your book in my next newsletter. I have sent you a draft, for your review and plan to distribute it on Wednesday.
